

## MEMORANDUM

Amended  
Special Item No. 7

---

**TO:** Honorable Chairperson Barbara Carey Shuler, Ed. D. and Members, Board of County Commissioners **DATE:** July 20, 2004

**FROM:** George M. Burgess, County Manager  **SUBJECT:** Resolution Approving a Special Election for the *Building Better Communities* Bond Program – To Construct And Improve Housing For The Elderly And Families

**R#918-04**

---

### RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing the placement of the *Building Better Communities* General Obligation Bond Program (Program) ballot question authorizing funding for projects to construct and improve housing for the elderly and working families on the November 2, 2004. This resolution will allow the County to issue General Obligation Bonds in an amount not to exceed \$194.997 million over a multi-year period to fund housing improvements in the County and address a number of quality of life issues in our community (see Appendix A). Legislation creating interlocal agreements with the municipalities and establishing a Program Advisory Committee will be forwarded to the Board upon approval of the program by the electorate. Individual debt issuances will also be subsequently forwarded for Board approval.

### BACKGROUND

The recommended Program will provide the County with the capability of providing additional resources to respond to the community's longstanding unfunded capital housing needs in a comprehensive manner. The attached recommended list of projects provides an approach which addresses the need for acquiring, constructing and renovating residential units for the elderly and low-income families as well as economic development concerns. Since our Community Small Business Enterprise and Community Workforce regulations will apply to the *Building Better Communities* projects, it is anticipated that the Program will contribute to our economy by generating a large number of jobs as well as many new and meaningful business development and training opportunities in our local community.

A comprehensive report detailing our efforts to assemble a balanced *Building Better Communities* Program is presented under separate cover. The attached resolution and corresponding project recommendations further refine the proposed Program by incorporating the Board's input from the June 24, 2004 General Obligation Bond Workshop as well as subsequent individual follow-up meetings with Board members.

Honorable Chairperson Barbara Carey Shuler, Ed. D.  
and Members, Board of County Commissioners

We have a unique opportunity to move forward with this Program at this time. Existing debt from the Decade of Progress Bond Program, the Criminal Justice Bond Program and the Safe Neighborhood Parks Bond Program is being retired allowing capacity for future bond issuances while maintaining a flat millage rate for debt service. Finally, placement of the ballot question on an already scheduled General Election allows us to avoid incurring the considerable costs that would be associated with a separate election.

Therefore, it is respectfully requested that the Board approve the attached resolution and allow the electorate to vote on critical capital improvement issues impacting the future of Miami-Dade County.

The County, itself or through independent auditors, shall have the right at all times to audit the books and records of all beneficiaries who receive proceeds from the sale of the Bonds.

Some projects listed in Appendix A of this Resolution may be the subject of contractual agreements between the County and the external agencies receiving the Bond proceeds to pay the cost of such projects. Such agreements shall provide the terms and conditions for the County to release Bond proceeds to the agency and such other requirements as the County shall deem appropriate. In the event that an agency fails, without adequate reason, to commence acquisition, planning, design or construction of a project within six (6) months of the receipt of County approval to proceed with such project, the County shall have the option of reallocating the Bond proceeds earmarked for such project to any other projects listed in Appendix A falling within the same ballot category.

**Section 12.** The Bonds are part of an overall Bond Program pursuant to which the County is proposing to issue up to \$2,925,750,000 in General Obligation Bonds ("Bond Program") upon voter approval. The intent of the County is to include a combined municipal and UMSA component

("Municipal Component") in the Bond Program totaling 10% of the Bond proceeds, net of issuance costs. The formula used for distribution of proceeds is based on a weighted formula 75% on population and 25% on contribution to the tax roll (based on June 1, 2004 figures) as compared to the total population and property tax roll figures for the entire County. The data for this distribution was based upon most recent Census figures as provided by the Miami-Dade County Planning Department and tax roll figures as provided by the Miami-Dade County Property Appraiser. Should a municipality incorporate after passage of this Bond program, it may petition the Board for a portion of any unallocated Bond proceeds that had been apportioned to local projects in the UMSA area then contained in such municipality. Not all of the individual components of the Bond Program will include a Municipal Component but in the aggregate, the overall Bond Program will include a Municipal Component that equals 10% of the Bond Program.

It is the intent of the County that the balance of the bond proceeds from the Bond Program net of cost of issuance (90%) shall be used for projects of countywide and/or regional significance.
